WONDERLAND UK TOUR

'Wonderland' was the very first Sophisticated Entertainment Production Show to be performed in theatres throughout the UK. This show consists of 6 Main Production Cast and has the option of expanding with a Young Company Cast of 16. Wonderland was a sell-out production at every theatre in which the show appeared at.

ABOUT THE SHOW

Taking you and your family on a magical journey from the second you leave the outside world. This immersive production will lead you into the world that we call Wonderland. This show will be brought to life by our talented production cast of singers, dancers & actors as they take you on a musical journey through Wonderland!

This show is complete with an original music score written by Grammy award winning Jay Reynolds and West End's Daniel Williams. A never heard before phenomenon.

"Wonderland, where dreams begin and adventures from the heart happen!"
